April 9-11, 2010 – Harwood Lodge – Mt. Baldy, CA

Come join us for a weekend of dance and mountain sports on the slopes of Mount Baldy, in the San Gabriel Mountains (30 miles east of Los Angeles). The camp is held at the beautiful rustic Harwood Lodge, a Sierra Club facility north of Claremont, California. The dance schedule allows time for outdoor activities; hiking, mountain biking, skiing (snow permitting)... or just time to spend at the lodge in music jams (bring your instruments!), dance workshops, or quiet time.

Dancing

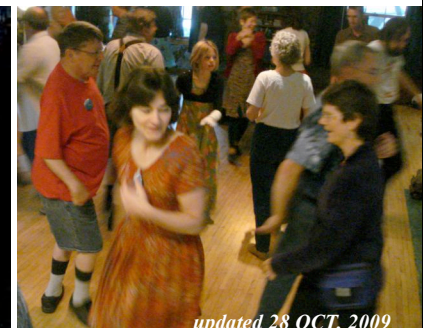

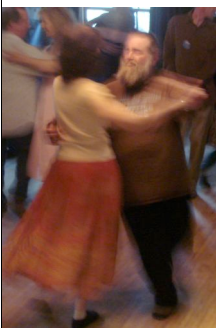

Lively Contra Dances will be held in the grand, yet intimate Harwood Lodge beginning Friday evening through Sunday morning. As part of the camp package, attendees are invited to attend the sing-a-long music jam, potluck and 2nd Sunday Contra Dance in nearby La Verne. (4-7 p.m. Sunday is also open to the public.)

Accommodations

Harwood Lodge is a beautiful stone lodge with a large dance room and wooden floor. The lodge also has a dining / lounge area with a large fireplace, and a full kitchen. Two sleeping dorms on the top floor contain about forty bunk beds each. Attendees will have plenty of room to spread out in dorms, or outside options: small RV, tent camping or under the stars on the porch. Shower facilities are limited in the lodge, however most years we have use of the neighboring Mt. Baldy Zen Center shower facilities.

Weather

Please note that Harwood Lodge is 6300 feet above sea level. Weather can be variable.
